PHYSICIAN II* (Monthly Salary Range: $12,108.66 - $15,045.78)

Examples of Duties

- Performs Department of Transportation (DOT), and Occupational Safety and Health Administration (OSHA) mandated medical surveillance evaluations;
- Treats occupational injuries in compliance with the California State Workers’ Compensation medical guidelines;
- Performs post offer medical evaluations;
- Evaluates drug recognition and alcohol screenings;
- Reviews return to work and treating provider notes;
- Responds to on-site medical emergencies;
- Assists Medical Director in occupational health administration as necessary and may act for the Medical Director during absences.

Requirements

- M.D. or D.O. Degree;
- Board Certification in Occupational Medicine, Family Medicine, Internal Medicine or Physical Medicine and Rehabilitation;
- Minimum of 3 years of experience in Occupational Medicine;
- License to practice medicine in the State of California;
- Current state and Federal DEA certification;
- Current Federal Motor Carrier Safety Administration (FMCSA) medical examiner certification;
- Certification by a recognized agency as a Medical Review Officer (MRO) for the federal DOT testing program;
- Valid California driver’s license;
- Knowledge of OSHA regulations, workplace health and safety concepts;
- Demonstrated interpersonal and collaboration skills.

*This is an exempt, at-will position. The individual appointed to this position will not accrue any civil service tenure nor any contractual employment rights. After the successful completion of a two year probationary period, the appointed individual shall be entitled to due process rights as set forth in the City Charter. This position is pension eligible according to provisions of the LADWP Retirement Plan.
Responsibilities of the position include, but are not limited to:

- Engage in conducting pre-placement, post-offer and other medical examinations, medical surveillance evaluations, medical screening for the health effects of occupational health hazards and conditions as a clinical physician.

- Must be familiar with DWP’s policy, in-house drug/alcohol testing, and Drug Recognition Evaluation (DRE). Perform drug/alcohol recognition evaluations in compliance with the Department’s Drug and Alcohol Policy and/or Department of Transportation (DOT) regulations. May also serve as a Medical Review Officer (MRO).

- Perform medical surveillance evaluations. The Department satisfies OSHA requirements for medical surveillance of employees who may be exposed to asbestos, lead, noise, dust, fumes, etc. In addition, support is provided by a contracted vendor which performs required exams in the field. However, all the results from the examinations are reviewed and compiled by in-house staff.

- Participates in weekly disability file evaluations in the absence of the Medical Director who is the medical consultant to the Department’s Disability Plan. This involves diagnosis, treatment plan and determining appropriateness for disability status. Recommendation and requests for additional information may be made to evaluate disability status.

- Treats occupational injuries in compliance with the California State Workers’ Compensation medical guidelines. The Department tries to refer as many on-the-job injuries/illnesses in-house. This involves the diagnosis and treatment of such injuries/illnesses. Patients can be referred to specialists as appropriate.

- Coordinates and reviews work of per diem contract physician performing similar clinical physician duties.

- Assists Medical Director in occupational health administration as necessary and may act for the Medical Director during absences.
